

Biography

Daljit Bassi is a paralegal and works primarily in the area of insurance defense. Along with a positive, upbeat attitude and dedicated work ethic, she is well practiced in all aspects of the litigation process. Daljit takes great pride in her abilities of drafting pleadings, organizing and managing various records for document production, gathering and analyzing evidence on liability and damage issues, conducting legal research, instructing experts as well as communicating with clients and related parties.

Prior to joining Stevens Virgin, Daljit acquired several years of experience working in both public and private practice. While Daljit has a passion for working in the legal field, she holds great appreciation for her experience working in the insurance industry, as it has allowed her to gain valuable insights on insurance processes.
